

**11/20/14**

## **Antelope Elementary Community Council**

### **Minutes**

Attendance: *Don Beatty, Kathy Chadwick, Lori Collingwood, Tana Horton, Liz Hansen, Erica Kent, Cassidy Mellor*

Excused: Kathryn Hill, Martie Howell, Patience Freeman, Tiffany Gama, Heidi Thornton & Kara Toone

#### **Administrative:**

- We need to have training on Trustlands and the district community council training.
  - Rather than not meeting in December, we will use that date to watch both training DVD's that Mr. Beatty has.
- Don is rolling out a bully prevention program with the kids that will include a silicone bracelet with a hotline number on it. If they are having troubles with bullying the kids can call that number, a computer program will transcribe the message and send a text to Don and Kathy, who can then respond with the appropriate action.

#### **Newsletter:**

- The December newsletter will spotlight Grandma Gaya and the Foster Grandparent program. We can also get information to our families to encourage participation in this program through an email from Don or Kathy that has the link to the Foster Grandparent program.
- We can have Darlene Wangberg put a tab under the Community Council tab on the website for newsletters.

**PTA:** *No one present to discuss current needs or programs.*

#### **Community:**

- Discussion on SEM: Why doesn't SEM include 1<sup>st</sup> grade students. Tracey Saxey is limited on how many students she can take because of hours approved for the program. If we want more kids to be able to participate we would have to allot more money from Trust Lands and have the school board approve the funds.
- Science Programs at the school. It was brought up that parents would like to see more science activities/programs at the school. Kathy Chadwick will look into having a science assembly. It was discussed that we could have the teachers return a list of supplies needed to accomplish science projects in their classrooms that tie in to the core requirements and will help them cover those in class. It was also discussed that teachers can contact different groups that will bring their program in to the classrooms to discuss with the kids. (i.e.: Living Planet Aquarium, The Leonardo, Mad Science, Department of Natural Resources, The Weather Guys, etc)

#### **Proposed Meeting schedule:**

2014 – 2015 Community Council Schedule (4 pm in the library)

September 29, 2014	January 8, 2015
October 9, 2014	March 12, 2015
December 11, 2014	May 14, 2015
