September 23, 2021

In attendance: Marjorie Conrad, Brenda Bennett, Becky Bickel (Year 2); Anna Fondario (Year 2); Brandon Pierce (Year 1); Heather Robins (Year 1); Lisa Richardson (Year 2)

*After a welcome and introductions, a description of duties was explained. Vacancies were filled in the council with Anna Fondario elected as Chairman; Brandon Pierce was elected Co-Chairman; Lisa Richardson was elected as Secretary.

*We discussed the **Teacher Student Success Plan (TSSP)**—this used to be called the School Improvement Plan--and the 3 goals associated with the plan:

Teacher Student Success Plan for 2021-2022:

1. Reading Growth: 75% of students will show typical (or higher) growth on Acadience Pathways to Progress on end-of-year Acadience assessment.
2. Math Growth: 75% of students will show typical (or higher) growth in math as measured by the iReady Math Diagnostic.
3. Reading Proficiency: 70% of students will be proficient on the Acadience end-of-year benchmark composite score.

*We also discussed **the School LAND Trust Budget**. The funds will be used for Reading Tutors, iReady Licenses, Social-Emotional Learning, and other programs that support the TSSP. The criteria for the funds to be used:

*Programs to support goals must be data driven and evidence based.

*Academic goals must be measurable.

* We discussed **Social Emotional Learning strategies** that Antelope Elementary uses to build and foster a positive learning environment, decrease learning disruptions, and increase achievement. Some of those strategies include: using empathy-building restorative practices to encourage thinking about the effects of behavior and choices. Teaching skills to recognize emotional needs and ways to self-manage and regulate emotions. Fostering a positive culture and climate at our school through happy interactions and greetings with lots of smiles.

To do: Go over and review the Title 1 Compact link to be sent out in an email from Marjorie. Do you have any suggestions related to the Compact?
