

How to Join Microsoft Teams

I have added each of your children to my “Team” classroom. Below are the steps you need to take for your child to access my classroom and interact with me.

1. Go to outlook mail <https://outlook.live.com/>
2. Use your child’s full e-mail and password to log in
 - a. Example e-mail: 29abass@go.dsdmail.net
3. In the inbox there will be an e-mail from “Teams”
4. Open the e-mail
5. Click on the purple button that reads, “Open Microsoft Teams”
6. You will be prompted to either download the app or use the website version
 - a. If you are using a district device the app should already be downloaded and open automatically
7. You will be directed to “Antelope Counselor Classroom”

Your children are welcome to interact with me on a day to day basis, I will be posting PowerPoints, resources, guided meditations, motivational quotes, etc. If your child is worried about what is happening and needs support, I would be happy to set up a video chat with them! 😊 Please contact me directly if you feel this is needed at albass@dsdmail.net and we will arrange a time.

Thank you!

Sincerely,

Miss. Alicia
