### **Welcome**

### **Approval of Oct. Minutes:**

Unanimous vote for approval of 10/8/15 minutes

### **Discuss Council Bylaws:**

Don will scan the examples and we'll send them out with the minutes for everyone to review and bring their ideas back at the next meeting for discussion and review.

### **Adopt Rules of Order:**

Roberts Rules – simplified version was adopted and unanimously approved with addendum for public comment on the agenda with each speaker given 2 mins to address council if needed.

### **District Training Note:**

Cassidy, Liz and Kathryn attended the district training at NDJH. Several different classes were attended to discuss the requirements of CC members, state standards, district implementations and CC responsibilities. All training can be found on <http://www.schoollandtrust.org/>.

### **Status of Current School Improvement Plan 2015-16:**

We have hired several class tutors, whiteboards are purchased and we're looking into rock samples for the 1<sup>st</sup> grade curriculum. The plan is available, to anyone who would like to review it, on the school webpage. <http://www.davis.k12.ut.us/domain/1198>

### **Review Performance and Growth Data from last year:**

Don & Tiffany presented the PACE report results. Antelope received a B grade. Our school as come from a focus school to receiving an award for accomplished successes. Our teachers are focused on teaching the curriculum and identifying areas needing clarifying instruction and more practice. Gaylene Burr has come up with the Parent Power campaign to help recruit more parent involvement in student success for tests, curriculum and attendance.

### **Ideas for Next year's Plan (Council):**

Continue with Tutors

Kim and Lori will start polling the teachers for needs

### **Internet Safety (New Council Responsibility – Safe Technology and Digital Citizenship):**

The district is coming up with a district wide policy and implementation plan to meet these requirements.

### **Other Topics:**

\*Gaylene Burr: She is running our new Parent Power campaign to help the students be successful by giving feedback and tools to parents that can help with their child/parent interactions regarding

school. Gaylene is getting information out through the newsletters and fliers. We had 99% attendance at the last SEOPs and our students scores are showing the improvement with teachers owning the solutions to teaching the different curriculum and parents being actively engaged in their child's education.

\*Meeting in December? Unanimous that no meeting will be held in December.

**Future Agenda Items:**

**Adjourn:**
